

## MATERIAL SAFETY DATA SHEET

MANUFACTURER: Ben Nye Company, Inc.  
3655 Lenawee Avenue • Los Angeles, CA 90016  
• U.S.A. • PH: (310) 839-1984  
FAX: (310) 839-2640

EMERGENCY TELEPHONE NUMBER:  
ChemTel:  
US/Canada (800) 225-3924  
International (813) 977-3668 (Collect)

Date: June 17, 2013

### Section I: Product

PRODUCT: **Dark Stage Blood**

### Section II: Hazardous/Chemical Ingredients

Hazardous Components: None

INGREDIENTS:	CAS#
Karo Syrup	N/A
Water	N/A
Methyl Parabin	99-76-3
Propylene Glycol	57-55-6
Peppermint Flavor	N/A

### Section III: Physical Data

Boiling Range: 212° F	Freezing Point: 32° F
Vapor Pressure: N/A	Vapor Density: N/A
Specific Gravity: N/A	H <sub>2</sub> O Soluble: Soluble
Appearance and Odor: Thick, viscous liquid; dark red in color, minty odor	

### Section IV – Fire and Explosion Hazard Data

Flash Point: N/A

Extinguishing Media: Water, fog, alcohol foam, dry chemical to surrounding containers.

Special Fire Fighting Procedures: Not a fire or explosion hazard. Use a positive pressure, self-contained breathing apparatus if in a confined area.

Explosive limits: LEL N/A UEL N/A

### Section V: Health Effects & First Aid

**HEALTH EFFECTS AND FIRST AID PROCEDURES:** Safe to use in mouth for theatrical purposes but do not ingest. Avoid contact near/in eyes. If eye contact occurs, flush with water for 5-10 minutes; contact a physician if discomfort exists.

This product does not contain ingredients listed as carcinogenic according to NTP, IARC, or OSHA.

## Section VI: Reactivity Data

Stability: Stable

Stability conditions to avoid: Oxidizing material

Incompatibility: Oxidizing material

Hazardous Decomposition Products: Carbon monoxide in the presence of limited oxygen in a fire situation

Hazardous Polymerization: Will not occur

Polymerization conditions to avoid: None

## Section VII: Spill or Leak Procedures

Steps for material spillage: Absorb with an inert material. Small spills can be wiped up with absorbent paper. Wash the spill area with soap and water.

CAUTION: Spilled liquid can be slippery. Use care to avoid falls.

Waste disposal methods: Dispose according to local, state, and federal regulations.

California Proposition 65: This product is not known to contain any listed chemicals.

## Section VIII: Special Protection Information

Respiratory Protection: N/A

Ventilation: Local exhaust is adequate

Protective Gloves/Eye Protection: Not required with proper handling

Other Protective Equipment: Not required with proper handling

Work/Hygienic Practices: Wash hands with soap and warm water before eating/drinking

## Section IX: Special Precautions

Handling and Storage Precautions: To maintain product quality, store in a cool dry place in a tightly sealed container, do not store near flame, in heat or direct sunlight.

Other precautions: Do not use on irritated or broken skin. Though irritation is unlikely, if irritation or other sensitivity occurs, discontinue use and wash, rinsing with plenty of water. If condition from contact continues or worsens seek medical attention promptly.
